How to rent & use a bicycle

■ To rent ■

- ① Fill out an “Application form” at a Cycle Station. (your name, address, etc.)
- ② Show your ID.
- ③ Pay rental fee.
- ④ Receive a “bicycle key” and a “rental application form.”

* You need to show your “rental application form” when returning the bicycle.

We issue a membership card.
If you like to have one,
request at a counter of a Cycle Station.

■ To return ■

- ① Park the bicycle in a specified area at a Cycle Station. Be sure to lock it.
- ② Return the bicycle key at a counter and show your rental application form.
- ③ Pay an extra charge for additional rental hours, if any.

Please kindly answer our questionnaire
attached to the rental application
form, when returning the bicycle.

■ Terms of use

- ① Only the person named in the application form can use the bicycle.
- ② Please check the bicycle condition by yourself prior to riding.
- ③ Do not contravene the traffic regulations: i.e. Drunken driving, double-riding, etc.
- ④ Be sure to lock the bicycle, when you leave it. Do not park the bicycle illegally.
- ⑤ If you have a trouble with the rented bicycle, take it to the nearest Cycle Station. You can rent a different one.
- ⑥ If the bicycle is damaged or stolen because of your carelessness, you are required to pay the actual expenses. We take no responsibility for any accidents/damages/problems etc. caused by malfunction of the bicycle. Ride the bicycle on your own responsibility.
- ⑦ If you are involved in any accident while riding the bicycle, report to the police or take procedures determined by law, and then report to us promptly. Parties involved in the accident should talk directly.
- ⑧ We cannot deal with your claims about any faults or troubles of the bicycle outside of our operating hours. Please contact us on the next operating day.
- ⑨ Please note that we may stop bicycle lending due to the bad weather such as typhoon or heavy snowing, or inspection and maintenance of the bicycles.
- ⑩ We do not take advanced reservations.
- ⑪ We will keep your personal information given through this application form to rent a bicycle strictly confidential and will not give it to any other party.
- ⑫ If unexpected matters occur and you need to contact us immediately, please contact us at 080-1951-4019.

“Rules for riding a bicycle” you may not know!

**A bicycle is categorized as a “vehicle.”
You have to follow the traffic rules when riding it.**

- In principle, you should ride a bicycle on roadways, exceptionally can ride on sidewalks.
- Bicycle riders should keep to the left side on roadways.
- Pedestrians have a priority on sidewalks. You should ride a bicycle on the side nearer to the roadways at reduced speed.
- Follow safety rules.
 - No drunken bicycle riding! No double riding!! No running side-by-side!!!
 - Turn the light on at night
 - Bicycle riders should obey the traffic lights at intersections. Stop and check your safety.

Follow the rules and enjoy your ride!
