Exemption of National Pension Premium

If it is hard for you to pay your National Pension premium for economic reasons, you can apply for an exemption or postponement of the premium payment.

From Mon. July 3rd, 2017, the application for the payment exemption/postponement of the period between July 2017 and June 2018 can be made at Health Insurance and Pension Division (Fukui City Hall) or Pension Office. You can even apply for the exemption of the payment dating back to 2 years and 1 month ago. However, if you were approved for an exemption/postponement last year or the year before and would like to extend the period, you do not have to reapply. This does not include partial exemptions.

Japan Pension Office will review your application made in a previous year and send a result to you.

Required Items for Application:

- Pension book or a document showing the Basic Pension Number
- Personal seal (self-inking rubber stamp is not acceptable.)
- Your ID
- Certificate of unemployment or other documents, If you are retired.

※For the details, please contact Health Insurance and Pension Division at 0776-20-5476.
