

PLASTIC SHOPPING BAGS NO LONGER FREE!?

Don't worry!
Here, use

MY BAG!

Effective

July 1, 2020

Okay...but why?

The idea behind this is to take initiative in cleaning our environment and preventing the further pollution of our oceans as we gradually reduce the amount of unnecessary plastic.

The first step to going green!

Most supermarkets in Fukui City already charge for plastic shopping bags, but this will soon apply to convenience stores, drug stores, ALL stores!

Everyone can help! By bringing your own bag (My Bag) and bottle, you can help reduce the amount of plastic being used!
