

## Message from the Mayor

Fukui Prefecture has been issued a “Special Warning on the Spread of COVID-19.”

More than 50% of the cases are household infection. Over 20 % of the cases has occurred at school or nursery school.

In order to protect the lives of yourself, your family, friends, and other loved ones, I ask for your cooperation in the following ways.

- Please wear a mask when having conversations with others, even during meals.
- Elderlies and persons with underlying medical condition, please wear a mask even at home and avoid crowds when going out. Family members in the same household should take thorough safety measures against infection at home.
- Assuming that you may have got infected, please take appropriate measures at home right away after visiting other prefectures, meeting people from other prefectures, or if someone around you get infected.
- Please refrain from going to work or school and call/consult with your family doctor or the Fukui Prefecture Consultation Center for COVID-19, if someone in your family does not feel well
- Please immediately make a reservation for the COVID-19 booster shot (3<sup>rd</sup> dose) when you receive your vaccination ticket.
