## Message from the Mayor

“Warning on the Spread of COVID-19” has been issued by the Fukui Prefectural Government.

More than 40 percent of the cases have been occurred at home. Those who are 10 years old or younger have accounted for 40 percent of the entire cases.

In order to protect the lives of yourself, your family, friends, and other loved ones, I ask for your cooperation especially in the following ways during this summer.

- Please be sure to wear a mask when having conversations with your friends and others, even during meals.
- Please avoid having conversations with others around you, while not wearing a mask to prevent heatstroke.
- Please ventilate regularly while using air-conditioning.
- Please receive the 3<sup>rd</sup> dose of vaccines as soon as possible.
- Please make a reservation as soon as possible when you receive your vaccination ticket for the 4<sup>th</sup> dose of COVID-19 vaccines.
- Please get a free COVID-19 test before or after traveling or visiting your parents/relatives.
- Please take good care of yourself. If you do not feel well, please refrain from going to work/school and consult with your family doctor or the COVID-19 Medical Consultation Center by phone.
