Message from the Mayor

“Warning on the Spread of COVID-19” has been issued by the Fukui Prefectural Government.

The cases in kids and teens have been rapidly increasing, Hospitalizations have been on the rise, and 90 percent of them are 60 years old or over.

In order to protect the lives of yourself, your family, friends and other loved ones, I ask for your cooperation especially in the following ways.

- Older adults and those who are at risk of contracting severe symptoms, please take actions to protect yourself such as avoiding crowds.
- Please get vaccinated as soon as possible to spend the year-end and New Year holidays safely.
- Please utilize “Free Testing for COVID-19,” if you are concerned about being infected as a result of coming in contact with someone who tested positive or having family members coming home for the New Year holidays.
- Please be sure to wear a mask when having conversations with others during any social gatherings over the year-end and New Year holidays.
- Please ventilate rooms periodically even during the cold winter season.
- Please take good care of yourself. If you do not feel well, refrain from going to work or going out and consult with your family doctor or the COVID-19 General Consultation Center by phone.
- If you have children in your family, please take good care of them and check their temperature every day, even during the winter vacation. If they do not feel well after the vacation is over, please refrain them from going to school.

HIGASHIMURA Shinichi
Mayor of Fukui City
