**Easy** Historical Townscape Exploration!

## Togo - Ichijodani Course

### Course Information

The course runs along the Asuwa River cycling road in the first half and then along the Doden River in the latter half. The course passes through the historical area of Ichijodani with the Ichijo Waterfall as the goal. The only incline is at Ichijo Waterfall, making this an easy course.

One Way: 15km Round Trip: 30km  
One Way: 1hr

**Easy** Health Maintenance!

## Shimizu - Hino River Course

### Course Information

The first half of the course runs along the Asuwa River and Hino River. The middle section of the course consists of a view of the rice fields and has you pass through Fukui's Kenko-no-Mori (Health, Sports, and Wellness Center) before returning back to Hino River. The entire course is 40kms and is relatively flat, making it an easy course that beginners and those without confidence in their abilities can ride.

Full Lap: 40km 3hrs

**Med.** Cycling Road Lap!

## Eiheiji Course

### Course Information

Most of this course runs along the Kuzuryu and Asuwa River cycling roads. Flat and with no cars, its perfect for cycling! The incline towards Eiheiji is worth the effort! You can also take a stroll through Eiheiji Monzen Town.

Full Lap: 50km 4hrs
